

CPFAA 2023 Golf event at Sanctuary Golf Course

This year's event will be held at the Sanctuary Golf Course Presented by RE/MAX.

Wednesday July 19, 2023

Sanctuary was conceived as a golf experience that would gracefully balance exclusivity with accessibility. Play is limited not by membership, but by linking tournaments and other events to the support of charitable organizations devoted to the arts, children, health care, and crisis management.

The vision of RE/MAX, LLC Co-Founder Dave Liniger, Sanctuary is a resource like no other. The golf course has been carefully placed into a fragile and beautiful ecosystem – guided by a commitment to stewardship that focuses not just on habitat protection, but on good citizenship as well.

The philosophy of stewardship, which created Sanctuary, has enabled it to nurture some of our community's most valued non-profit organizations. Success of the concept has exceeded all expectations. To date 567 charity events have generated more than 124 million net dollars to directly benefit the many constituents they serve.

We have allowed 1 sponsorship slot- this slot allows the sponsor to enter a single foursome to play and join us for dinner, happy hour, and the Awards ceremony. This foursome will not be competing for medals.
